Knoxville Orthopaedic Clinic will be providing Sports Physicals for the athletes of Catholic High School for ALL SPORTS. These physicals will be available to all incoming athletes to the 9th grade through the 12th grade.

Knoxville Pediatric Cardiology will be offering EKG screenings, at no charge in conjunction with sports physicals. An EKG records the electrical activity of the heart and can detect certain heart abnormalities.

Athletes will need to have a signed permission form to be screened. Please direct parents/guardians to www.knoxvillepediatriccardiology.com for more information on EKG's, frequently asked questions, and to download a permission form to bring to physicals if they are interested in taking advantage of this free service.

Information for athletes that participate in the Sports Physicals:

- Use the Knox County/TSSAA Sports Physical Form.
- The form must have a parent / guardian signature to receive a Sports Physical.
- There is a \$10.00 charge for the exam.
- KPC EKG permission form signed by a parent/guardian.

Sports Physical forms can be downloaded from the Sports Medicine Outreach section of the KOC website www.kocortho.com. If you have any questions, please call me at 558-4438 or e-mail at michelle.edwards@orthotennessee.com. Thank you for your help.

Sincerely,
Michelle Edwards, ATC
